

## 5<sup>th</sup> German Nationals in Indoor Skydiving 2024 (open)

### ANNOUNCEMENT

#### Disciplines:

**4-Way Indoor FS**  
**Indoor VFS**  
**Dynamic**  
**Solo Freestyle**  
**Solo Freestyle**  
**8-Way Indoor FS**  
**Indoor Handifly-RACE**  
**Kids-Challenge**

#### Competition classes:

Rookie, Beginners, Intermediate, Open, Female  
2er, 4er  
2er, 4er, Solo-Speed  
Open  
Juniors age 12 - 18  
Intermediate, Open  
Novice, Expert  
Juniors age 7 -14 (not an official discipline)

In order to be able to score the competition entries, a minimum number of four (4) teams or competitors (for solo competitions) is required. If the minimum number of teams or competitors in a given discipline is not reached, no German Champion will be determined.

However, at the request of the field of participants, the possibility can be set up to still hold the discipline in question in order to use the results as a qualification for international competitions.

Organizer: Bundeskommission Fallschirmsport (BKF)  
*Federal Commission Skydiving*

Location: Hurricane Factory Berlin GmbH  
Waßmannsdorfer Allee 3  
12529 Berlin-Schönefeld OT Waßmannsdorf

Website: <https://dm2024.hauptstadt-windkanal.berlin/>

#### Goals

- Determine the German Champion and standings of the competitors in each of the mentioned disciplines
- Gaining knowledge about the qualification level and performance level in Germany
- Support competitive sports and juniors
- Bringing indoor skydiving and skydiving closer to the general public by promoting the German Nationals via press, radio and TV.

- Strengthening the indoor and outdoor skydiving community
- Achieving new records
- Training and continuing education of Judges

### **Preliminary remark**

The main purpose of the event is to find the German Champion in each discipline considering the rules of the FAI and the federal commission Skydiving (BKF). The event also intends to make indoor skydiving and outdoor skydiving known to the general public and to make it accessible for everyone. Another purpose of the event is to highlight the inclusive character of our sport by including disciplines for handicapped flyers and also offering disciplines for juniors starting with the age of 7.

**Date:** Thursday, 7<sup>th</sup> of March – Sunday, 10<sup>th</sup> of March 2024

### **Schedule**

#### **Thursday, 7<sup>th</sup> of March 2024:**

- Arrival for competitors, official practice day

### **Organizer and Location**

#### **Organizer:**

Bundeskommision Fallschirmsport (BKF)  
Federal Commission Skydiving

#### **Location and Organization:**

Hurricane Factory Berlin GmbH  
Waßmansdorfer Allee 3  
12529 Berlin-Schönefeld OT Wassmansdorf

## **Organising Officials**

Lead Organization:	John Georgi
Meet Director:	Jürgen Mühling
Chief Judge:	Gundel Klement
Technical Director:	Thierry Courtin / Johannes Heptner

## **Judging**

In accordance with the BKF (Federal Commission Skydiving) competition regulations for German Skydiving Championships 2023 version 10.

## **Protest procedures**

Protest procedures in accordance with the FAI/ISC Sporting Code, Section 5 regulations.

## **Rules and number of competition rounds**

The official rules for all disciplines can be found here <https://www.dfv.aero/Sport/Wettbewerbe/Wettbewerbsregeln> or here <https://dm2024.hauptstadt-windkanal.berlin/>. Rules are based on the current FAI/ISC Sporting Code, General Section, Section 5 – Skydiving, the *Wettbewerbsordnung Deutsche Meisterschaften (WDM) 2023 Version 10* (if applicable for Indoor Skydiving) and the current regulations and dive pools for each disciplines.

- **4er IFS** – 10 rounds with 35 seconds working time each round
- **8er IFS** – 10 rounds with 50 seconds working time each round
- **4er IVFS** – 10 rounds with 35 seconds working time each round
- **2er IVFS** – 6 rounds with 45 seconds working time each round
- **Dynamic 2-Way Speed** - 8 rounds speed routines only
- **Dynamic 4-Way Speed** - 8 rounds speed routines only
- **Dynamic Solo-Speed** – 6 rounds speed routines only
- **Indoor Solo Freestyle** - 2 compulsory rounds, 3 free routine rounds
- **Handifly-RACE** – 6 rounds
- **Kids-Challenge** - 2 compulsory rounds, 3 free routine rounds

## **Participation requirements**

Every competitor must be a member of the DFV (Deutscher Fallschirmsportverband *German Skydiving Association*) or of the DAeC (Deutscher Aero-Club *German Aero-Club*). Please prove your membership via submitting your membership ID upon sign up for the competition. This participation requirement does **not** apply to non-German competitors or teams and does also not apply to attendees for the KIDS-Challenge.

If a membership is required, a membership sign up form can be found in the download area of the DFV webpage. [www.dfv.aero/Service/Downloads](http://www.dfv.aero/Service/Downloads)

It is each competitor's responsibility to use equipment which is appropriate for the according discipline he/she intends to compete in. Equipment will be checked by the event organizers. The minimum equipment required is a suitable flying suit, shoes, helmet (without any camera mounts), hearing protection (provided by the wind tunnel) and goggles (if applicable). An appropriate protection is welcome.

With the sign up for the competition every competitor accepts the terms and conditions for the event. Not following the rules can lead to a disqualification of a competitor or a whole team. Each participant individually agrees to follow the organizer's instructions in connection with the competition.

The participation for each competitor is limited to maximum two (2) disciplines and two (2) sub-disciplines with the limitation to only one (1) class. VFS is counted to artistic disciplines. A participation in three (3) or more sub-disciplines is not permitted.

Example: Discipline: **FS** / Sub-Disciplines: **FS4 / FS8** – Classes: **Open, Female, Intermediate** etc.

This means for example: A competitor can compete in the discipline FS in two teams as long as those teams are **not** competing in the same class within the same sub-discipline. Therefore, a competitor in FS can attend in a FS4 team and in a FS8 team, but not in two FS4 or two FS8 teams at the same time.

The event organizer will not accept sign ups of competitors if the above restriction is exceeded.

### **Anti-Doping**

According to the requirements of the national anti-doping agency (NADA) and the Deutscher Olympischer Sportbund (DOSB), doping tests will be carried out at our German Nationals in Indoor Skydiving. **All competitors** are subject to the possibility of being called in for such a doping control.

It is expected that up to 5 (five) competitors will be selected for doping tests. The current Anti-Doping regulations and measures can be found on the homepage of the DFV (<https://www.dfv.aero/Sicher/Medizin+Gesundheit/Doping>) or can be requested via the DFV office.

If you are taking a medication indicated by NADA/WADA for medical reasons, your intake must be reported using the TUE (therapeutic use exemption) form before the start of the competition. The relevant forms can be requested from the DFV office or directly from NADA.

### **Video and photo rights**

When registering for the competition, all participants agree to transfer their rights to their own image, especially with regard to footage taken during the event, for the duration of the competition and beyond with the organizer to use and share, including for use in the context of public and press work. The necessary consent will be requested on the registration form.

### **Judging systems:**

Intime for FS, VFS  
DynamR (Dynamic 2-Way/ 4-Way /Solo-Speed)

## **Registration and costs**

The registration will be done via <https://dm2024.hauptstadt-windkanal.berlin>

8FS	900,00 € per team
4FS/D4W/4VFS:	550,00 € per team
D2W:	450,00 € per team
2VFS:	400,00 € per team
Freestyle Solo:	250,00 € per competitor
Solo-Speed:	250,00 € per competitor
Kids Challenge:	250,00 € per competitor
Handifly-RACE:	350,00 € per competitor

Please register by January 15<sup>th</sup> 2024!

Please bank transfer the registration fee within 10 days after you have registered for the competition.

Account holder: Hurricane Factory Berlin GmbH  
Name of Bank: Berliner Sparkasse  
IBAN: DE 03 1005 0000 0190 1666 57  
Purpose: indoorDM-2024, team-name or competitors name, discipline

Official registration deadline: 31<sup>st</sup> of January 2024

The registration fee includes:

- Organisation fee
- Participating at the German Nationals in Indoor Skydiving 2024 including flying time for the discipline the competitor / team has signed up
- Two (2) minutes of flying time during the official speed setting rounds
- One (1) goodie bag for each competitor
- Dinner buffet and after-party on Saturday, 9<sup>th</sup> of March 2024

For training flying time prior the competition please contact [dm2024@hurricanefactory.com](mailto:dm2024@hurricanefactory.com).

Late registrations after the deadline are only possible with the approval and confirmation of the organizer. Late registration fee is 15 € per person on top of the normal registration fee stated above.

## **Cancelation**

If a competitor or team does not compete after a successful registration for the competition the organizer refunds the costs for the flying time (competition entries and speed setting rounds, price depends on the discipline) but not the costs for the organization fee, the goodie bags and the dinner buffet /after party.

**A cancellation before 31<sup>st</sup> of January 2024 will be 100% refunded.**

**Due to the sill unstable situation at the energy market the organizer reserves the right to cancel the event in whole or in part if a sudden increase in energy costs is putting the economic viability of Hurricane Factory Berlin GmbH at risk. In the case the event is being cancelled by the organizer the registration fee will be refunded. 50,00 € of the registration fee will be withheld to cover costs for the organization of the event.**

## **Medals, certificates, cups**

The 1st, 2nd and 3rd place in each discipline will receive medals.  
Every competitor will receive a certificate.

## **Accommodation and catering**

### **Hotel**

Holiday Inn Berlin Airport-Conference Centre  
Hans-Grade-Allee 5  
12529 Berlin-Schönefeld  
Tel.: +49 (0) 30 - 634010  
[www.holidayinn-berlin.de](http://www.holidayinn-berlin.de)  
Book via this link: [DM Indoor Skydiving](#)

Single	incl. breakfast	110,00 €
Double	incl. breakfast	130,00 €

These prices are only valid during the event and can be exclusively booked using the above booking link. The distance to the event location is approximately 10 minutes by car. The hotel is 4\* category.

Please be aware that at the same time as the competition is taking place, the ITB (International Touristic Fair) is also taking place in Berlin. It is to be expected that hotel rooms will be booked out throughout the whole Berlin city area and that prices will increase rapidly for those dates. We highly recommend participants for the competition to book hotel rooms as soon as possible by using the well-known booking-platforms on the internet.

### **Caravan**

It is possible to bring your own caravan and place it on our very own parking lot for the time of the event. Hurricane Factory Berlin is charging 25,00 € per night per caravan. You will have an electric power supply available and access to the sanitary installations.

For caravan requests please contact [dm2024@hurricanefactory.com](mailto:dm2024@hurricanefactory.com).

## **Catering**

The inhouse bistro of Hurricane Factory Berlin will offer food and drinks throughout the whole event.
